Dear John,

Thanks so much for the nice note. The pleasure was all mine. The audience was sensational--even though they had just given blood. By the way, who gets the blood--them or us?

Cheers,

Once again let me tell you how indebted my colleagues and I are for your "I Need The CIA More Than It Needs Me." As you could no doubt tell from the responsiveness of the audience, you were an unqualified success. It's not often we have someone who can make us laugh at ourselves! You might be interested to know that, in addition to those in the auditorium, quite a number watched via closed circuit television.

I share the pleasure of our employees in having had the opportunity to hear you, and again, many thanks.

*A super performance — Sincerely,*  
*we're indebted!*
